

Haitian Nomad LLC Travel Policy Introduction Haitian Nomad LLC plans epic trips and provides experiences through travel around the world. This international travel policy is intended to promote the health, safety, and security of all attendees of Haitian Nomad LLC trips while traveling abroad and domestically. Policy This International Travel Policy outlines the requirements with regard to: (A) travel abroad insurance; and (B) cancellation and refund policy.

(A) Travel Abroad Health Insurance All Haitian Nomad LLC trip attendees are NOT covered under any health, life, liability insurance policy paid for by Haitian Nomad LLC. All individuals traveling on Haitian Nomad LLC trips are required to have travel abroad insurance coverage from an insurance carrier of your choice. Travel insurance ensures your trip is protected in the event of an unexpected cancellation OR in the event of a medical emergency overseas. Verification of Health Insurance & Acknowledgment of Release I represent and warrant that I have appropriate medical, health and personal injury insurance. As such, is relying on my representations and warranties, and neither the Haitian Nomad LLC will be liable or required to provide me with insurance coverage. I am further aware that any medical, health and/ or personal injury costs resulting from or relating to the activities undertaken pursuant to this Program will be my sole responsibility.

(B) Cancellation and Refund Policy U.S. regulations allow you 24 hours to cancel your booking for a full refund, in light of the current global pandemic we are extending a no-question-asked full refund policy up to 90 days before departure (Minus initial deposit which is non-refundable and non-transferable) (Luxe trips are excluded from this and are non-refundable/non-transferable); at that point, all payments will be final, non-refundable and non-transferable. It is advised that you purchase travel insurance immediately after booking to protect you in case of any unforeseen cancellation or accident. Additionally, you are solely responsible for securing your international flights, failure to do so and waiting until the last minute usually results in higher fares for which Haitian Nomad isn't liable and any cancellation as a result will not result in any credits or refunds. Haitian Nomad LLC reserves the right to cancel or postpone a trip due to extenuating circumstances. Fees: On the 5th day of non-payment, you will automatically be charged a \$50 late fee. Your booking will be automatically canceled due to non-payment after missing 2 monthly installments and all previously made payments will be forfeited.

Setting payment reminders remain your sole responsibility and in no way is Haitian Nomad LLC responsible for payment reminders. As a participant on any Haitian Nomad trip, it is your responsibility to make sure you are in compliance with all country, airline or vendor requirements including vaccines and other documents. No refund or credit will be issued if you fail to obtain the required documents or if there's a sudden change in country/airline requirements resulting in your cancellation. All requests for cancellation must be received in writing via email at haitiannomad@gmail.com. Cancellations cannot be made online. I represent and warrant that I understand and will adhere to Haitian Nomad LLC cancellation and refund policy. As such, is relying on my representations and warranties, and neither the Haitian Nomad LLC will be liable or required to refund me beyond 24 hours of booking.
